The Indiana Southwest Futbol Club is committed to providing athletic opportunities for our players regardless of a family's financial position. ISFC does not want finances to restrict an athlete from participating in any of the ISFC soccer programs and has established a financial assistance program to off-set a portion of player's club and team fees. Financial assistance is not guaranteed and is limited based on the number of ISFC applicants.

Financial assistance requirements:

- Application completed
- Player/family must volunteer for ISFC fundraising activities (Strassenfest booth, etc.)
- Apply for any other eligible external scholarships or sponsorships (JYS/HYSL)
- Uniforms purchased using financial assistance money are retained by the club. Players leaving the club will return uniforms
